## **Daily Lane Closures on Irving Park Road between Emmerson Avenue and Busse Road**

**CHICAGO** – The Illinois Department of Transportation (IDOT) announced that daily lane closures will take place on Irving Park Road (Illinois 19) between Emmerson Avenue and Busse Road (Illinois 83), in Itasca and Wood Dale, for a resurfacing project, beginning, weather permitting, Monday, August 22.

In order to complete the work, temporary, daily lane closures will occur on Irving Park Road between Emmerson Avenue and Busse Road. This work will take place on either side of the permanent lane closure at Irving Park Road and Wood Dale Road for ongoing intersection improvements.

The scope of the project consists of resurfacing, patching and ADA-compliant crosswalk improvements, as well as new curb and gutter. The overall improvements are expected to be completed in Fall 2016.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
